About The Legal 500

For 33 years, The Legal 500 has been analysing the capabilities of law firms across the world, with a comprehensive research programme revised and updated every year to bring the most up-to-date vision of the global legal market. The Legal 500 assesses the strengths of law firms in over 150 jurisdictions. The research is based on feedback from 300,000 clients worldwide, submissions from law firms and interviews with leading private practice lawyers, and a team of researchers who have unrivalled experience in the legal market.
